

AAMAS 2019 Speaker NANCY BINDER

**Thursday, April 25, 2019
1:00-2:15 PM & 2:30-3:45 PM**

Nancy earned her master's in Business Administration at Xavier University in 2000. She is currently responsible for all aspects of Clinical Denial Management, Chart Audit and Charge Master at Bottom Line Systems. Client engagements include clinical denial appeals, chart audit reviews (stoploss and defense audits), missing charges and charge master reviews. Services provided by CMAS certified nurses and experienced revenue cycle analysts to assess and combat denials/underpayments. Comprehensive reviews and appeals have resulted in reversal rate greater than 50% and collections that exceeded \$19M/year for our clients.
